Concluding our offer, we wish to emphasize to the benefits gained through advertisement in our website [www.infomarine.gr](http://www.infomarine.gr) . Infomarine On-Line portal web site is one of Google's target source of information, not mentioning the strongest one, and that is justified by the strong keywords that are running in the 'background' of each posting and of course by the thousands of visits daily.

With great honour we are mentioning herewith also that we are receiving many emails on a daily basis from people asking our professional opinion and suggestions as to whom they should contact for various kinds of services in the maritime field. All our advertisers and clients are respectful establishments, to the best of our knowledge, and they are truly professionals rendering their services considering their customers' needs and benefits.

We wish to thank you for your time spent in this presentation, and we would be honoured to promote **your company** by the most professional and decent way and means possible.

We, at [Infomarine On-Line](http://www.infomarine.gr) are always at your disposal for your queries and reply to any of your questions.

Respectfully yours,  
**Infomarine On-Line**
