Period and Delivery</b></p> <p>(a) <u>Period</u> - In consideration of the hire stated in Box 24 the Owners let and the Charterers hire the Vessel for the period/trip(s) stated in Box 6. The Charterers shall have the option to extend the Charter Party by the period(s)/ trip(s) stated in Box 7 which option shall be exercised by giving written notice to the Owners on or before the date(s) stated in Box 7. Unless otherwise agreed, the Charterers shall have the option to increase or to reduce the final period of the Charter Party by up to the number of days stated in Box 6(a), which shall be applied only to the period finally declared.</p> <p>(b) <u>Delivery Place</u> - The Owners shall deliver the Vessel to the Charterers at the port or place stated in Box 8 or a port or place within the range stated in Box 8.</p> <p>(c) <u>Delivery Time</u> - Delivery shall take place no earlier than the date/time stated in Box 9 and no later than the date/time stated in Box 10. If the Owners anticipate that, despite their exercise of due diligence, the Vessel will not be ready for delivery by the date/time stated in Box 10, they may notify the Charterers in writing, stating the anticipated new date of readiness for delivery, proposing a new cancelling date/time and requiring the Charterers to declare whether they will cancel or will take delivery of the Vessel. Should the Charterers elect not to cancel or should they fail to reply within two (2) working days (as applying at the Charterers' place of business) of receipt of such notification, then unless otherwise agreed, the proposed new cancelling date/time will replace the date/time stated in Box 10. **Appendix A - Protective Clauses**

**A. WAR RISKS ("Voywar 1993")**

- (1) For the purpose of this Clause, the words:
- (a) "Owners" shall include the shipowners, bareboat charterers, disponent owners, managers or other operators who are charged with the management of the Vessel, and the Master; and
- (b) "War Risks" shall include any war (whether actual or threatened), act of war, civil war, hostilities, revolution, rebellion, civil commotion, warlike operations, the laying of mines (whether actual or reported), acts of piracy, acts of terrorists, acts of hostility or malicious damage, blockades (whether imposed against all vessels or imposed selectively against vessels of certain flags or ownership, or against certain cargoes or crews or otherwise howsoever), by any person, body, terrorist or political group, or the Government of any state whatsoever, which, in the reasonable judgement of the Master and/or the Owners, may be dangerous or are likely to be or to become dangerous to the Vessel, her cargo, crew or other persons on board the Vessel.
- (2) If at any time before the Vessel commences loading, it appears that, in the reasonable judgement of the Master and/or the Owners, performance of the Contract of Carriage, or any part of it, may expose, or is likely to expose, the Vessel, her cargo, crew or other persons on board the Vessel to War Risks, the Owners may give notice to the Charterers cancelling this Contract of Carriage, or may refuse to perform such part of it as may expose, or may be likely to expose, the Vessel, her cargo, crew or other persons on board the Vessel to War Risks; provided always that if this Contract of Carriage provides that loading or discharging is to take place within a range of ports, and at the port or ports nominated by the Charterers the Vessel, her cargo, crew, or other persons on board the Vessel may be exposed, or may be likely to be exposed, to War Risks, the Owners shall first require the Charterers to nominate any other safe port which lies within the range for loading or discharging, and may only cancel this Contract of Carriage if the Charterers shall not have nominated such safe port or ports within 48 hours of receipt of notice of such requirement.
- (3) The Owners shall not be required to continue to load cargo for any voyage, or to sign Bills of Lading for any port or place, or to proceed or continue on any voyage, or on any part thereof, or to proceed through any canal or waterway, or to proceed to or remain at any port or place whatsoever, where it appears, either after the loading of the cargo commences, or at any stage of the voyage thereafter before the discharge of the cargo is completed, that, in the reasonable judgement of the Master and/or the Owners, the Vessel, her cargo (or any part thereof), crew or other persons on board the Vessel (or any one or more of them) may be, or are likely to be, exposed to War Risks. If it should so appear, the Owners may by notice request the Charterers to nominate a safe port for the discharge of the cargo or any part thereof, and if within 48 hours of the receipt of such notice, the Charterers shall not have nominated such a port, the Owners may discharge the cargo at any safe port of their choice (including the port of loading) in complete fulfilment of the Contract of Carriage. The Owners shall be entitled to recover from the Charterers the extra expenses of such discharge and, if the discharge takes place at any port other than the loading port, to receive the full freight as though the cargo had been carried to the discharging port and if the extra distance exceeds 100 miles, to additional freight which shall be the same percentage of the freight contracted for as the percentage which the extra distance represents to the distance of the normal and customary route, the Owners having a lien on the cargo for such expenses and freight.
- (4) If at any stage of the voyage after the loading of the cargo commences, it appears that, in the reasonable judgement of the Master and/or the Owners, the Vessel, her cargo, crew or other persons on board the Vessel may be, or are likely to be, exposed to War Risks on any part of the route (including any canal or waterway) which is normally and customarily used in a voyage of the nature contracted for, and there is another longer route to the discharging port, the Owners shall give notice to the Charterers that this route will be taken. In this event the Owners shall be entitled, if the total extra distance exceeds 100 miles, to additional freight which shall be the same percentage of the freight contracted for as the percentage which the extra distance represents to the distance of the normal and customary route.
- (5) The Vessel shall have liberty:-
- (a) to comply with all orders, directions, recommendations or advice as to departure, arrival, routes, sailing in convoy, ports of call, stoppages, destinations, discharge of cargo, delivery or in any way whatsoever which are given by the Government of the Nation under whose flag the Vessel sails, or other Government to whose laws the Owners are subject, or any other Government which so requires, or any body or group acting with the power to compel compliance with their orders or directions;
- (b) to comply with the orders, directions or recommendations of any war risks underwriters who have the authority to give the same under the terms of the war risks insurance;

- (c) to comply with the terms of any resolution of the Security Council of the United Nations, any directives of the European Community, the effective orders of any other Supranational body which has the right to issue and give the same, and with national laws aimed at enforcing the same to which the Owners are subject, and to obey the orders and directions of those who are charged with their enforcement;
- (d) to discharge at any other port any cargo or part thereof which may render the Vessel liable to confiscation as a contraband carrier;
- (e) to call at any other port to change the crew or any part thereof or other persons on board the Vessel when there is reason to believe that they may be subject to internment, imprisonment or other sanctions;
- (f) where cargo has not been loaded or has been discharged by the Owners under any provisions of this Clause, to load other cargo for the Owners' own benefit and carry it to any other port or ports whatsoever, whether backwards or forwards or in a contrary direction to the ordinary or customary route.
- (6) If in compliance with any of the provisions of sub-clauses (2) to (5) of this Clause anything is done or not done, such shall not be deemed to be a deviation, but shall be considered as due fulfilment of the Contract of Carriage.

**B. CLAUSE PARAMOUNT**

The International Convention for the Unification of Certain Rules of Law relating to Bills of Lading signed at Brussels on 24 August 1924 ("the Hague Rules") as amended by the Protocol signed at Brussels on 23 February 1968 ("the Hague-Visby Rules") and as enacted in the country of shipment shall apply to this Contract. When the Hague-Visby Rules are not enacted in the country of shipment, the corresponding legislation in the country of destination shall apply, irrespective of whether such legislation may only regulate outbound shipments.

When there is no enactment of the Hague-Visby Rules in either the country of shipment or in the country of destination, the Hague-Visby Rules shall apply to this Contract, save where the Hague Rules as enacted in the country of shipment or if no such enactment is in place the Hague Rules as enacted in the country of destination apply compulsorily to this Contract.

The Protocol signed at Brussels on 21 December 1979 ("the SDR Protocol 1979") shall apply where the Hague-Visby Rules apply whether mandatorily or by this Contract.

The Carrier shall in no case be responsible for loss of or damage to cargo arising prior to loading, after discharging, or while the cargo is in the charge of another carrier, or with respect to deck cargo and live animals.

**C. GENERAL AVERAGE**

General Average shall be adjusted and settled at a port or place in the option of the Carrier according to the York-Antwerp Rules, 1994 or any subsequent amendment thereto.

**D. HIMALAYA CLAUSE**

It is hereby expressly agreed that no servant or agent of the Carrier (including every independent contractor from time to time employed by the Carrier) shall in any circumstances whatsoever be under any liability whatsoever to the Charterers, Shippers, Consignees, owner of the goods or to any holder of a Bill of Lading issued under this Charter Party, for any loss, damage or delay of whatsoever kind arising or resulting directly or indirectly from any act, neglect or default on his part while acting in the course of or in connection with his employment.

Without prejudice to the generality of the foregoing provisions in this clause, every exemption, limitation, condition and liberty herein contained and every right, exemption from liability, defence and immunity of whatsoever nature applicable to the Carrier or to which the Carrier is entitled hereunder, shall also be available and shall extend to protect every such servant or agent of the Carrier acting as aforesaid.

For the purpose of all the foregoing provisions of this clause the Carrier is or shall be deemed to be acting as agents or trustees on behalf of and for the benefit of all persons who might be his servants or agents from time to time (including independent contractors as aforesaid) and all such persons shall to this extent be or be deemed to be parties to this contract.

commencement of the voyage resulting from any cause whatsoever, whether due to negligence or not, for which, or for the consequences of which, the Carrier is not responsible, by statute, contract, or otherwise, the goods, shippers, consignees, or owners of the goods shall contribute with the Carrier in general average to the payment of any sacrifices, losses, or expenses of a general average nature that may be made or incurred, and shall pay salvage and special charges incurred in respect of the goods.

If a salving vessel is owned or operated by the Carrier, salvage shall be paid for as fully as if salving vessel or vessels belonged to strangers. Such deposit as the Carrier or his agents may deem sufficient to cover the estimated contribution of the goods and any salvage and special charges thereon shall, if required, be made by the goods, shippers, consignees or owners of the goods to the Carrier before delivery.

#### F. BOTH-TO-BLAME COLLISION CLAUSE

If the Vessel comes into collision with another vessel as a result of the negligence of the other vessel and any act, neglect or default of the master, mariner, pilot or the servants of the Carrier in the navigation or in the management of the vessel, the owners of the goods carried hereunder will indemnify the Carrier against all loss or liability to the other or non-carrying vessel or her owners insofar as such loss or liability represents loss of, or damage to, or any claim whatsoever of the owners of said goods, paid or payable by the other or non-carrying vessel or her owners to the owners of said goods and set-off, recouped or recovered by the other or non-carrying vessel or her owners as part of their claim against the carrying Vessel or Carrier.

The foregoing provisions shall also apply where the owners, operators or those in charge of any vessels or objects other than, or in addition to, the colliding vessels or objects are at fault in respect to a collision or contact.
