MASTER'S OATH OF FORMAL ENTRY/CLEARANCE

On Entry: (a) I swear that the statements contained in any manifest (including any passenger or stores list) presented on entry or on arrival at domestic ports in a coastwise movement (or, if foreign vessel, in any declaration made on such arrival that the vessel is in ballast only) are true. (b) I do solemnly swear that I have to the best of my knowledge and belief delivered to the appropriate post office every letter and every bag, packet, or parcel of letters on board the said vessel during her last voyage, or in my possession or under my power of control, expect where waybill for discharge at other ports in United States at which the said vessel is scheduled to call and which the postmaster General has not determined will be unreasonably delayed by remaining on board the vessel for delivery at such ports. (c) I solemnly swear that the ownership of this vessel except as may be otherwise stated on this form, is as indicated in any register, or document in lieu thereof, produced on entry. 1 (d) I swear that no part of the vessel has been sold or transferred since the granting of register, except as may be otherwise stated on this form, and that no foreign subject or citizen has, to the best of my knowledge and belief, any share, by way of trust, confidence, or otherwise, in this vessel. 1 (e) If the vessel is documented to engage in trade on northern, northeastern, and northwestern frontiers of the United States, I swear that any articles purchased in a foreign country for the use of the vessel and designated "sea stores" are for the exclusive use of the vessel and are not intended for sale, transfer, or private use.

On Clearance: (a) If clearing for foreign port, I do solemnly, sincerely, and truly swear that the manifest of the cargo on board the vessel, now delivered by me to the Director of Customs, and subscribed with my name, contains, according to the best of my knowledge and belief, a full, just, and true account of all goods, wares, or merchandise now actually laden on board the said vessel, and of the value thereof; and if any other goods, wares, or merchandise shall be laden or put on board the vessel previous to her sailing from this port, I will immediately report the same to the said District Director. I do also swear that I verily believe the duties on all foreign merchandise therein specified have been paid or secured, according to law, and that no part thereof is intended to be reloaded within the United States, and that if by distress or other unavoidable accident it shall become necessary to reload the same, I will forthwith make a just and true report thereof to the District Director of the district wherein such distress or accident may happen. So help me God. (d) I swear that the statements contained in any manifest presented on departure from domestic ports in a coastwise movement (or, if a foreign vessel, in any declaration made in such a movement that there has been no lading on board the vessel) are true. (c) I swear that I do not have under my care or control and will not receive or transport any letter that has not been regularly received from a United States post office or does not relate to the cargo of the vessel. 18 U.S.C. 1699; 19 U.S.C. 282, 1431, 1434, & 1435; 39 U.S.C. 902(b); 46 U.S.C. 42, 91, 313 & 314.
